HOUSING FINANCE AGENCY**

QUARTERLY REPORT, APR 1 – JUN 30 2022

Introduction

California’s Fiscal Year 2020-21 State Budget directed \$300 million in National Mortgage Settlement (NMS) funds to the California Housing Finance Agency (CalHFA) for housing counseling and mortgage assistance. Through its NMS Housing Counseling Program, CalHFA has allocated \$73.5 million for HUD-certified housing counselors throughout the state to provide free, confidential counseling services to California residents who are in danger of eviction or foreclosure.

NMS Housing Counseling Program Details

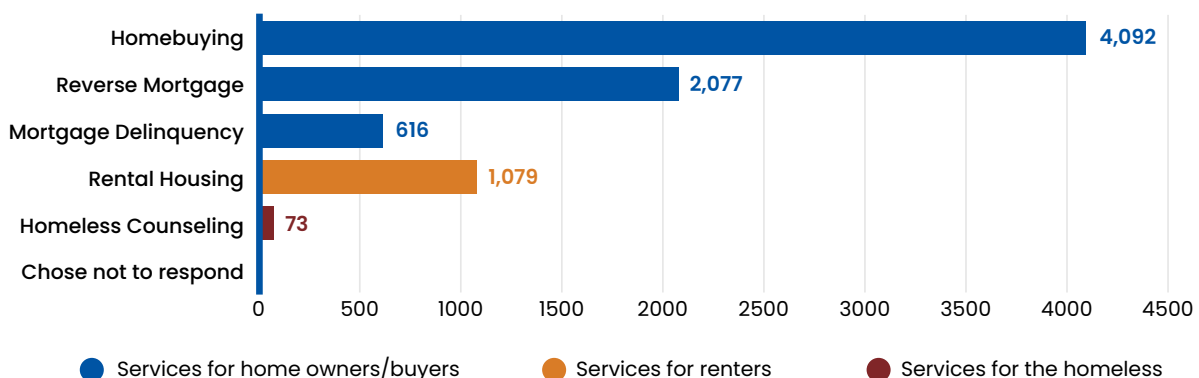

CalHFA allocates NMS funds to participating housing counseling agencies (HCAs) through three HUD-approved Intermediaries: UnidosUS, HomeFree USA, and BALANCE. The HCAs are reimbursed \$750 for a client’s first one-on-one counseling session, or up to \$750 worth of legal services. An additional \$750 will be allowed if the same client returns for a second one-on-one session or a more in-depth level of counseling is needed (i.e. loan modification assistance). The maximum per household limit is \$1,500.

Intermediaries and HCAs also received funds upfront to be used for oversight, program support and capacity building. The upfront investment into building capacity is designed to improve and extend the life of the counseling services by ensuring that agencies can modernize their technology to accommodate more virtual meetings, have adequate staffing with updated training to improve customer service and expand the availability of languages offered.

Types of Services Provided

The HCAs provide counseling services that can be grouped into the following categories: services for the homeless, rental housing, mortgage delinquency, reverse mortgage, and homebuying (pre-purchase and post-purchase). The chart below shows how many clients received counseling in each of these categories during the second quarter of 2022:
