- \$273.3M increase in cash & investments is primarily due to loan repayments received and monthly transfers from the down payment assistance revenue account at US Bank.
- \$184.8M increase in program loans receivable due to an increase in issuance of larger value loans.
- \$34.6M decrease in other assets primarily due to a decrease in cash collateral due to the closure of the Braeburn LOC.
- \$2.2M decrease in deferred outflows of resources primarily due to the \$4.1M reduction in pension related outflows.

- \$334.5M increase in bond payable primarily due to issuance of new bonds and unamortized bond premiums.
- \$91.3M decrease in current loans payable due to the termination of the Braeburn LOC.
- \$19.0M increase in other current liabilities, primarily due to an increase in the deposit liability for the impound and equity, NIBP refundable fees and HUD risk share loan loss reserve
- \$41.9M decrease in other noncurrent liabilities due to recognizing grant revenues for the ADU and EBL programs.
- \$19.4M decrease in deferred inflows primarily due to a decrease in the fair value of hedging derivatives, as well as current year changes to Pension & OPEB.

- \$12.7M net increase in interest income is primarily due to increase in mortgage-backed securities and the surplus money investment fund
- \$20.0M increase in realized gain on sale of securities due to gains from securitizations in the TBA Market Rate Program and changes in the fair value of investments
- \$10.3M increase in other revenues primarily due to an increase in Pool Pay-up sale of securities, offset by a decrease in ADU revenue
- \$2.6M increase in interest expenses primarily due to the rise of bond interest expense associated with new bond issuances
- \$3.0M decrease in salaries and general expenses primarily due to current year changes to the OPEB calculation
