Multifamily Staff Report Version: 2024-8

| 1 | Project Summary |
|----|---------------------|
| 1a | Project Description |

North City Affordable (the "Project") is a new construction, large family, mixed-income Project. The total development site area is 3.43 acres of a larger 6.1-acre parcel located in San Marcos, San Diego. The Project will consist of one, 4-story residential elevator serviced building. The Project will have total 224 residential units, of which 222 units will be restricted between 30% and 70% of the San Diego County Area Median Income (AMI). There will be 16 SRO/studio units (385 sq. ft.), 82 one-bedroom units (580 sq. ft.), 66 twobedroom units (871 sq. ft.), and 60 three-bedroom units (1,100 sq. ft.). In addition, 2 of the two-bedroom units will serve as the manager's units. The Project will have 280 spaces for residential parking.

The subject site is vacant without any existing structures. An Environmental Site Assessment (ESA) Phase I report dated 2/8/2024 did not identify any environmental hazard concerns.

The Project's financing structure includes financing from: Tax-exempt (T/E) bonds, Taxable bonds, T/E Recycled bonds, 4% Federal Low Income Housing Tax Credit (LIHTC) equity, State Housing Tax Credit Equity, GP Loan, CalHFA Tax-Exempt Permanent Loan, and CalHFA Subordinate financing through Mixed-Income (MIP) Subsidy Loan.

Notes:

Project Location Geocoder Information 1b

The Project is located in San Marcos, San Diego County. The total development site area is a 3.43acre portion of a larger 6.1-acre parcel that will be a subdivided and receive a new address during development. The Project is located in the University District Specific Plan (UDSP) area of San Marcos, San Diego County reflecting the presence of California State University San Marcos to the south. This is an inclusionary project and will be part of a larger development that will include retail, office, CSUSM educational facilities, student housing, affordable housing, and market rate for-sale and for-rent housing. The entire development will sit on approximately 203 acres. The master developer is Urban Villages San Marcos, LLC. The Administrative general partner, Rise Carmel, LLC is an affiliate of the master developer. The seller of the site, Carmel Enterprises LLC is also an affiliate of the master developer. The master developer is meeting the MIP requirement of 1:1 contribution to the project by providing a subordinate loan of up to \$14,000,000, the current need is \$12,820,611, at 3% interest rate for 55 years for receipt of Certificate of Occupancy which exceeds the MIP amount of \$4,000,000. Repayment of the loan will be from the Borrower's portion of surplus cash.

The City granted concessions and waivers to the Project. These include allowing the Project to contain ground floor residential uses without having to obtain a Director's Permit; allowing the Project to have an approximate six-foot setback along Enterprise Street, where a zero-foot setback would normally be required; and allowing the Project's ground floor to have a ceiling height of 10.5 feet, when a ceiling height of 15 to 22 feet would normally be required.

The project will be subject to a regulatory agreement from the City of San Marcos that will restrict 13 units at or below 50% of AMI and 209 units at or below 80% of AMI for a term of at least 55 years. The City of San Marcos is requiring an Affordability Restrictions and Regulatory Agreement (Density Bonus) to be recorded in senior position to the CalHFA Deeds of Trust. See Section 4b, Note 1.

Notes:

- The Developer, Rise Carmel LLC, is a wholly owned affiliate of Urban Villages San Marcos LLC, with common Manager, Noble Canyon LLC. Urban Villages San Marcos LLC was founded in 2007 and specializes in the acquisition, financing, and development of commercial and multifamily properties. CalHFA does not have prior experience with either entity.
- Rise Urban Partners, LLC will provide Consulting services during development and operating phases.
 Rise Urban Partners, LLC is not affiliated with Rise Carmel LLC nor Urban Villages San Marcos LLC or its subsidiaries.
 - (1) Prior to construction loan closing, Rise Urban Partners LLC, and the Developer will enter into a Development Consulting Agreement given their experience in LIHTC projects. The services include feasibility analysis, budget preparation and maintenance, identifying, applying and managing the closing of Project financing, Project financial management including loan and equity draws from construction through permanent loan closing, reporting and compliance obligations in connection with Project financing, assisting with the cost certification and documentation for 8609. Rise Urban Partners, LLC will receive a Consultant Development Fee of \$2,000,000 over time which are associated with Project milestones (construction loan closing, certificate of occupancy, conversion and 8609 receipt) from the Developer.
 - (2) Prior to construction loan closing, Rise Urban Partners, LLC and the Developer will enter into an Asset Management Agreement to perform the Project asset management services. These services include review and approval of operating budget, capital expenditures, operating costs, trial balances, ledgers, profit and loss statements and balance sheets, Property Manager oversight, communication management with Property Manager, Borrower and lenders, fulfil third party requests and reporting services. Payment of the asset management services will be an amount equal the 10% of net cash flow after the payment operating expenses, mandatory debt service, investor payment obligations, and managing general partner fees. Rise Urban Partners, LLC is not affiliated with Rise Carmel LLC nor Urban Villages San Marcos LLC or its subsidiaries.

Cal₁HFA

Multifamily Staff Report Version: 2024-8

Notes:

- 1. The spreads locked on 2/5/2025 for the CalHFA perm loan. The final rate will be locked prior to issuance of the Final Commitment Letter pursuant to the final commitment approval. A 50-bps underwriting cushion is included to account for MMD fluctuations prior to Construction Loan Close. Final CalHFA rate will be locked no more than 30 days prior to construction loan closing.
- 2. Maximum LTV limited to 90% and maximum CLTV to be limited to 120% of restricted appraised value based on an acceptable Appraisal. However, if the exit analysis requirements are not met per the Agency's underwriting standards, the CLTV shall not exceed 100%.
- 3. Loan to Cost shall not exceed 100% of the total project development cost (see construction sources/uses for total development cost).

| | | | Note 4) | permanent; 36- | | | | |
| | | | | months deferred | | | | |

Notes:

- 1. Construction Loan T/E is a variable rate equal to 1-month term SOFR + spread of 175 bps. Current 1month term SOFR as of January 17, 2025, is 4.30% and the all-in rate is 6.05%. The loan term includes two 6-month extensions which will have a 0.25% fee per each extension.
- 2. Construction Loan (Taxable) is a variable rate equal to 1-month term SOFR + spread of 225 bps. Current 1-month term SOFR as of January 17, 2025, is 4.30% and the all-in rate is 6.55%. The loan term includes two 6-month extensions which will have a 0.25% fee per each extension.
- 3. The Developer is anticipating a purchase of Interest Rate Cap with a strike rate of 2.50% on the 1-month term SOFR index for a cost of approximately \$2,334,000 due at closing of the construction financing which will be paid from taxable bond proceeds. Construction interest reserve is currently sized based on underwritten rate of 4.25% for the T/E Construction Loan and 4.75% for the Taxable Construction Loan and may be re-sized based on the final locked rate at construction closing. Any resulting funding gaps will be covered by the Developer until permanent loan closing.
- 4. Carmel Enterprises, LLC will be providing a subordinate loan for \$12,820,611. The loan will be funded at construction loan closing with repayments deferred during the construction period. The loan will have a 3% interest rate for a term of 55-years. The loan will be repaid from the borrower's 50% portion of surplus cash.

| b Construction Sources | | |
|---|---------------|------------|
| Construction Sources: | Amount (\$) | % of Total |
| Citibank, N.A Tax-Exempt (Loan) | \$60,360,000 | 50.99% |
| Citibank, N.A Taxable (issued by CalHFA) (Loan) | \$4,000,000 | 3.38% |
| Citibank, N.A TE Recycled (Loan) | \$4,000,000 | 3.38% |
| Carmel Enterprise, LLC (Loan) | \$12,820,611 | 10.83% |
| RSEP Holding, LLC (Equity, LIHTC Investor) | \$23,204,084 | 19.60% |
| Citibank, N.A Taxable (Loan) | \$14,000,000 | 11.83% |
| Total Construction Sources | \$118,384,695 | 100% |

| 5c Construction Uses | | |
|---|---------------|------------|
| Construction Uses: | Amount (\$) | % of Total |
| Land and Improvement Value | \$160,000 | 0.14% |
| Construction/Rehab Costs | \$82,306,084 | 69.52% |
| Soft Costs (A&E, Legal, Title, and Other Soft Costs) | \$7,511,240 | 6.34% |
| Hard Cost contingency | \$6,147,456 | 5.19% |
| Soft Cost contingency | \$1,128,935 | 0.95% |
| Financing Costs (Interest Reserves, Fees, Taxes, and Insurance) | \$8,159,325 | 6.89% |
| Local Impact Fees and Permit Fees | \$8,739,684 | 7.38% |
| Cash Portion Developer Fee | 1,194,871 | 1.01% |
| Other Costs (TCAC Fees, Furnishing, and Other Misc. Fees) | \$3,037,100 | 2.57% |
| Operating Reserves | \$0 | 0.00% |
| Total Construction Uses | \$118,384,695 | 100% |
| Total Construction Cost per unit | \$528,503 | |
| Total Construction Cost per CalHFA MIP Regulated Unit | \$533,264 | |

Notes:

- 1. CalHFA will require review and approval of independent third-party prepared plan and cost review report for project plans and specifications (plan & specs) and cost review prior to construction loan closing.
- 2. CalHFA underwriting policy requires any Sponsor or General Partner (GP) loan to be repaid from the Borrower's 50% share of surplus cash. Accordingly, any repayment of the sponsor loan is not considered separately in the Financial Analysis and Underwriting as it is expected to be repaid from the Borrower's share of the 50% surplus cash.
- 3. Acquisition Costs included in the budget are \$160,000 which is in compliance with Agency's underwriting (USRM) standards. The total Acquisition costs include as-is land cost (per appraisal dated 1/21/2025) of \$160,000 and \$10,000 for the consideration of the option which is credited to the purchase price. The appraisal noted that this is a related party transaction and that the price was determined by a prior appraisal and not reflective of market value. Approximately \$3,000,000 has been spent on architectural, engineering and other soft costs towards plan and approvals for the site. .
- 4. The total hard cost contingency in the project is 10.16% of the Hard costs, which includes the contingency in the GC Schedule of Values (SOV) and has been reviewed by the CalHFA inspector to meet the USRM requirements and project scope for completion within the stipulated budget.
- 5. The total soft cost contingency in the project is 3% of eligible costs and has been reviewed by the Multifamily staff to meet the USRM requirements and project scope for completion within the stipulated budget.
- 6. The project budget includes \$3,796,884 in offsite improvements and infrastructure costs. See Note 6 in Section 5d for detail.

| Third-party Plan & Cost Review Summary | | |
|--|--|--|
| General Contractor (GC) Name: | ECON JMI JV 2.0 | |
| GC Budget (per Schedule of Values) | \$74,471,392 | |
| % of Builder overhead, profit, and general requirements (TCAC allowable 14%) | 7.92% | |
| Type of Construction Contract: | GMP, Cost Plus Fee | |
| GC Contract Executed? If not, provide status: | No. Contract execution to occur prior to construction closing. | |
| GC Hard-Cost Contingency and Sufficiency: | \$1,392,162 | |

Notes:

- 1. Construction Lender and Investor have co-engaged, GTG Consultants, Inc., to perform an independent third-party review of project plans and specifications (plan & specs) and cost review. The report is expected on February 11, 2025.
- 2. The final Plan and Cost Review and sign off by CalHFA Inspector is a condition to construction closing.
- 3. Per the review by CalHFA inspector, the project can be completed within the indicated budget and the construction schedule.
- 4. The project hard cost contingency in the General Contractor's Schedule of Values (SOV) as well as the project hard cost contingency included in the overall budget are sufficient per the review completed by CalHFA inspector and meets the USRM requirements for minimum contingency levels.
- 5. The project is in a planned development that requires off-site infrastructure connections and pedestrian links to the site. Offsite infrastructure costs of \$3,796,884 includes:

| Carmel Street | \$2,469,732 |
|---------------|-------------|
| Enterprise | \$342,089 |
| Ped Link | \$857,325 |

TOC

Multifamily Staff Report Version: 2024-8

| Barham | \$127,738 |
|--------|-------------|
| Total | \$3,796,884 |

A separate contract for this work will be in place. The draft contract and SOV has been reviewed by the CalHFA inspector. These costs will be paid from the Seller/Affiliate loan proceeds.

| Total | \$79,883,513 | | \$63,248,134 | \$284,900 | | |

Notes:

- 1. The Project was awarded volume cap for bonds and Federal LIHTC tax credit allocation in the CDLAC/TCAC meeting on 8/6/2024.
- 2. The Project has been awarded State Housing Tax Credits by TCAC.
- 3. The Project has submitted a supplemental bond application on 1/24/2025.

| 50% Aggregate Basis Test Requirements | | |
|---------------------------------------|--|--|
| 1/16/2025 | | |
| Novogradac & Company LLP | | |
| \$60,360,000 | | |
| \$116,075,881 | | |
| 52% | | |
| Yes | | |
| | | |

Notes (if any):

• The supplemental allocation was requested to add a cushion to meet the project's 50% aggregate basis requirement (the "50% test") which was at approximately 48% based on the original development budget and is now approximately 52% due to recent budget adjustments/increase. The supplemental allocation is necessary to accommodate a potential cost increase during construction.

| 5g | Developer Fee | |
|--|--------------------|---------------------------------|
| Developer fee category: | TCAC Maximum Limit | Actual Amount in Project Budget |
| Upfront Cash Developer Fee (a) | \$6,000,000 | \$2,044,554 |
| Deferred Developer Fee (DDF) paid | N/A | \$1,455,446 |
| from project cash-flow (b) | | |
| Total Developer Fee (a) + (b) | | \$3,500,000 |
| Excess Developer Fee above TCAC Maximum | | \$0 |
| Limit as General Partner (GP) contribution | | |

Notes

- 1. For the Final Commitment underwriting, the Borrower must provide evidence that the DDF repayment structure is required pursuant to the Tax Credit Investor's requirements (LOI) and/or Limited Partnership Agreement (LPA).
- 2. Any outstanding Deferred Developer Fee remaining at Year 15, even if within TCAC Maximum Limit, will be paid from Borrower's 50% share surplus cash distribution.

3. Any outstanding Deferred Developer Fee remaining in Year 15 and above TCAC Maximum Limit will be treated as developer contribution. The Limited Partnership Agreement (LPA) and the Tax Credit Investor written approval evidencing that any outstanding deferred developer fee remaining in Year 15 will be treated as a GP contribution will be required prior to construction closing.

Note:

| 5h | 5h Evidence of Cost Containment for projects seeking subsidy | |
|--|--|--|
| Cost Containment Certification received from Developer? Yes | | |
| Cost Containment Certification acceptable to CalHFA? Yes | | |

<u>Comments on Cost Containment Strategy:</u> The Developer certified that below cost containment measures have been implemented to minimize construction costs

- 1. All major subcontractor and self-performing trades have been competitively bid out
- 2. Value engineering firm ECON Construction has been engaged during the design process
- 3. Utilize Guaranteed Maximum Price (GMP) contract, with cost savings returned to owner.
- 4. GC will be required to provide a minimum of 3 bids (when available) for each trade, particularly for all major trades
- 5. Lifecycle Cost Analysis
- 6. Risk Management and Contingency Planning
- 7. Technology for Project Management

| 6 | Affordability Requirements |
|----|--|
| 6a | CalHFA Regulatory Agreement Requirements |

The CalHFA Permanent Financing Bond Regulatory Agreement will restrict a minimum of 40% of the total units at or below 60% AMI; with 30% of the total units (68 units) at or below 60% AMI and 10% of the total units (23 units) at 50% AMI for 55 years.

The CalHFA Subsidy Regulatory Agreement will restrict 222 units between 30% and 120% of AMI for a term of 55 years.

Number of Regulated Units and AMI Restrictions by Each Agency

| Number of Units and Percentage of AMI Rents Restricted by each Agency | | | | | | | | | | |
|---|--|-----|-----|-----|-----|-----|-----|----------------|------------|-----------|
| Regulating Agency | Number of Units Restricted For Each AMI Category | | | | | | | Total Units | Percentage | |
| | Lien | 30% | 40% | 50% | 60% | 70% | 80% | 120% | Regulated | Regulated |
| City of San Marcos | 1st | | | 13 | | | 209 | | 222 | 100% |
| CalHFA Bond | 2nd | | | 23 | 68 | | | | 91 | 41% |
| CalHFA MIP | 3rd | 23 | | 45 | | 23 | | 131 | 222 | 100% |
| CTCAC | 4th | 28 | | 96 | 19 | 79 | | | 222 | 100% |
| TOTALS | | 28 | | 96 | 19 | 79 | 0 | 0 | 222 | 100% |

Notes:

- 1. The CalHFA MIP Subsidy Regulatory Agreement requires 30% of total units be restricted at or below 50% of AMI. Of these, a minimum of 10% of total units must be restricted at or below 30% of AMI (23 units at 30% AMI and 45 units at 50% AMI). An additional 10% of total units (23 units) must be restricted between 60% and 80% of AMI with a minimum average of 70% of AMI for a term of 55 years.
- The rents for the 60% to 80% tranche will be determined by the minimum income limit of 70% of AMI, not to exceed 80% of AMI. The remaining 131 units restricted units will be restricted at or below 120 % of AMI.
- 3. In addition, the Project will be restricted by the following jurisdictions described below:
 - a. The City will restrict 13 units at or below 50% of AMI and 209 units at or below 80% of AMI for a term of at least 55 years.

| 6b | Unit Distribution for each AMI category | | | | | | | | | | |
|--------------------|--|--------|--------|--------|--------|--------|------------|--|--|--|--|
| The table below ou | The table below outlines the distribution of units for each unit size by AMI category. | | | | | | | | | | |
| AMI Category | Total | Studio | 1-bdrm | 2-bdrm | 3-bdrm | 4-bdrm | % of Total | | | | |

Regional Market Overview

- The Primary Market Area is the city of San Marcos and some surrounding areas (population of 122,325) and the Secondary Market Area ("SMA") is San Diego-Chula Vista-Carlsbad, CA Metropolitan Statistical Area (MSA) (population of 3,325,723)
- The general population in the PMA is anticipated to increase by 0.1% per year and the population in the SMA will increase by 0.2% per year.
- Unemployment in the SMA is 4.2%, slightly above the current national unemployment rate of 3.5%.
- Median home value in the project zip code is \$862,941.

Local Market Area Analysis

Supply:

- There are currently 18 LIHTC family projects in the PMA, many were surveyed and four responded; they are 100% occupied with wait lists.
- There is 1 affordable project under construction.

• Demand/Absorption:

The project will need to capture 8.7% of the total demand for family units in the PMA. The
affordable units are anticipated to lease up at a rate of 34 units per month and reach full
occupancy within 7 months of opening.

Summary:

 The Market Study absorption and lease-up timelines are in alignment with the Developer's lease-up plan and operating proforma assumptions.

| | OK | OK |

Comments:

The Borrower's estimated NOI is \$3,066,045 which is approximately \$32,269 (~1.04%) lower than the estimated NOI on the appraisal report and is due to the following reasons:

- The appraisal estimated approximately \$56,000 for income, that includes fees that CalHFA does not consider for underwriting purposes, is \$12,489 (~22.30%) higher than the Borrower's estimated budget of \$43,511.
- The Borrower estimated approximately \$224,000 for repairs/maintenance, which is \$56,000 (~33.33%) higher than the appraisal's estimated budget of \$168,000. The Borrower's proposed estimated repairs/maintenance budget is based on the current operations of a similar project in the area.
- The Borrower estimated approximately \$128,000 for taxes, advertising and administrative expenses, which is \$5,783 (~4.73%) higher than the appraisal's estimated budget of \$122,217.
- The Borrower estimated approximately \$713,385 for utilities, payroll and management services, which is \$164,204 (~18.71) lower than the appraisal's estimated budget of \$877,589. The difference is reduced to \$87,404 (~10.91%) if the payroll expense is decreased by the rental income of the manager units, of \$76,800, which the appraisal includes as income as well.
- The appraiser utilized a 3% vacancy rate for their assumptions while the Borrower used a 5% vacancy.
- Considering these deviations, the proposed operating expenses are reasonable based on the Developer's experience with operating a similar project in the area and per the property management certification.
- The proposed operating expense is consistent with and is reasonable based on the appraisal report.
- The appraisal did not include a capture rate. The absorption rate is 20 units per month, assuming 45 units to be pre-leased. This differs from the market study and is based on the appraiser's analysis and is a bit more conservative based on the competitive properties in the area, minimal population growth and variety of unit sizes and various rental restrictions which is consistent with a competitive property the opened in October 2024.
- Cap Rate comments: The cap rate of 5.25 is based on the most recent information on comparable properties, from the appraisal dated 1/21/2025. Assuming an increase in cap rates due to current market conditions by 50 basis-points (5.75%), the LTV would be 73.42% and CLTV would be 80.92%. Stressing the cap further and adding 100 basis-points to the cap rate would result in an LTV of 79.81%% and CLTV would be 87.96%, which is still within the allowable underwriting requirement of 90% and 100% or less respectively.

| 8 | Insurance Requirements | | |
|-----|---|----------------|--|
| 8a | Seismic Review and Earthquake Insurance | | |
| Sei | ismic Review Required? | See note below | |
| E | Earthquake Insurance | See note below | |
| | Required? | | |

• A seismic study is in process. If the Project does not meet the CalHFA requirements to waive earthquake insurance, earthquake insurance will be required. If the Project meets the CalHFA requirements to waive earthquake insurance, as demonstrated by the seismic study, the Project will not be subject to earthquake insurance provided that the Agency receives an acceptable certification from the engineer on record that the Project has been built to current seismic code. Receipt of the engineer of record certification will be required prior to permanent closing.

| 8b | Flood Designation and Insurance | | | | |
|-------------------------|---------------------------------|------------------------------|---|--|--|
| Flood Zone Designation: | Zone X | Flood Insurance Required? | N | | |

The subject is located in Flood Zone X (area of minimum flood hazard). Zone X is the area determined to be outside the 500-year floodplain and protected by levee from 100-year floodplain, therefore the Project will not be subject to flood insurance.

| Name | e | Experience with CalHFA | If new, describe if minimum development |
| | | | experience requirements are met per |
| | | | USRM |
| Rise (| Carmel LLC | None | See Note 1 |

Notes:

The CalHFA Developer requirements are met by the Managing General Partner of the Borrower, AOF MGP LLC, whose sole member, AOF/Pacific Affordable Housing Corp., meets the requirements necessary to receive a minimum of seven points under the CDLAC General Partner Experience category pursuant to CDLAC Regulations Section 5230(f).

| 12b | General Contractor | | |
|--|--------------------|--|--|
| General Contractor name: | ECON JMI JV 2.0 | | |
| Affiliated entity of the Developer/Borrower? | No | | |
| Experience with CalHFA? | No | | |

The general contractor is ECON JMI JV 2.0, which is a joint venture of ECON, Inc. and Johnstone Moyer, Inc. Current employees have extensive experience in constructing similar affordable housing projects in California while employed under a different contractor, however, CalHFA is not familiar with the general contractor. ECON JMI JV 2.0 also serves as the general contractor for St. Luke's Affordable, another project undergoing CalHFA approval for MIP funding.

| 12c Architect | Architect and Engineering (A&E) firm | | |
|--|--------------------------------------|--|--|
| Architect name: | Safdie Rabines Architects | | |
| Affiliated entity of the GC? | No | | |
| Affiliated entity of the Developer/Borrower? | No | | |
| Experience with CalHFA? | No | | |

The architect is Safdie Rabines Architects, which has experience in designing and managing similar affordable housing projects in California through the locality's building permit process, however, CalHFA is not familiar with the architect.

The architect and affiliates of the developer have worked on at least 12 projects, both market rate and affordable. They are working on at least 400 units in the North City master development (that are in development stage).

13 Conditions for Approval

Approval is conditioned upon:

- 1. Subject to all MIP program requirements pursuant to applicable term sheets.
- 2. The CalHFA MIP loan subsidy will be, in the Agency's sole discretion, the lesser of 1) the principal amount as stated on hereto or 2) an amount as determined by the Agency in the event the financial assumptions change prior to construction loan closing and/or permanent loan closing.
- 3. All MIP Loan principal and interest will be due and payable at maturity.
- 4. No site work or construction commenced prior to the issuance of a HUD Firm Approval Letter, per the HUD Risk Sharing program requirements.
- 5. CalHFA requires that MIP affordability covenants be recorded in senior position to all foreclosable debt.
- 6. Evidence of earthquake insurance coverage, acceptable to the Agency, will be required if the Project does not meet the requirements to waive earthquake insurance. If the Project meets the requirements for the earthquake insurance waiver as demonstrated in the seismic report, receipt of a certification by the engineer on record that Project has been built to current seismic code acceptable to the Agency, prior to permanent closing is required. Funds from the CalHFA permanent loan and/or the subsidy loan shall not be used to fund or offset any portion of the offsite improvements' construction costs, except to the extent such costs are attributable to improvements for the exclusive use by the tenants of the Project.
- 7. The draft appraisal has been submitted and the final appraisal will be subject to Agency's review and approval prior to construction loan closing.
- 8. The locality is requiring the Borrower to encumber the Property by recording an Affordability Restrictions and Regulatory Agreement (Density Bonus). Prior to construction loan closing and closing of the CalHFA loan(s), the Affordability Restrictions and Regulatory Agreement (Density Bonus) is subject to CalHFA review and approval in accordance with agency underwriting standards.
- 9. An updated Phase I report dated within 180 days of property acquisition with CalHFA reliance is required prior to construction loan closing.
- 10. Receipt of Final Plan and Cost Review and acceptance by CalHFA prior to construction closing.
- 11. Receipt of the seismic report acceptable to CalHFA prior to construction closing.
- 12. Receipt of the final Development Consulting Agreement and the Asset Management Agreement acceptable to CalHFA prior to construction closing.
- 13. Receipt of finalized LPA consistent with the representations in this credit request and will be acceptable to CalHFA.

Multifamily Staff Report Version: 2024-8

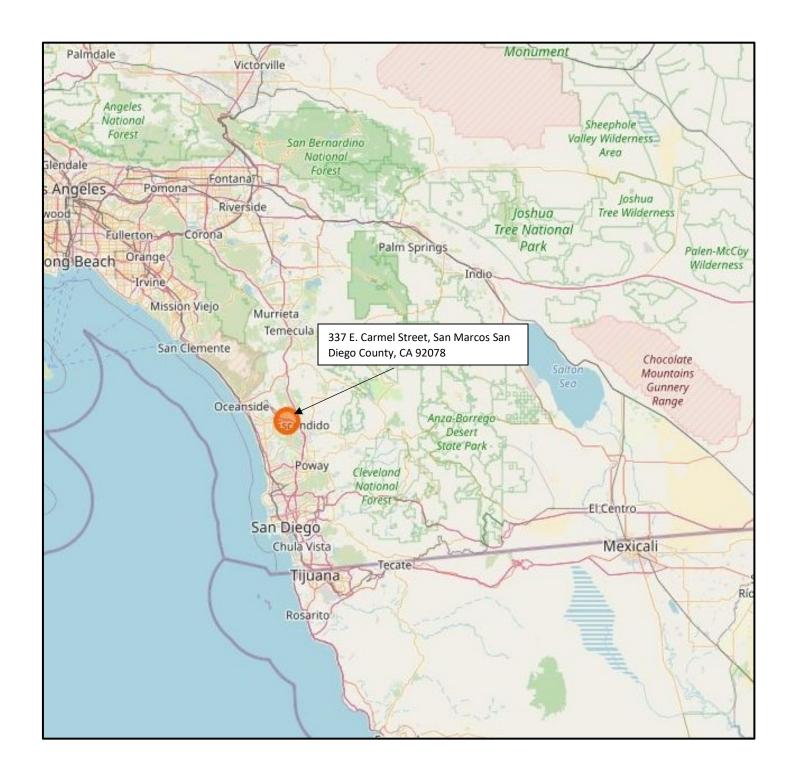

| 14 | Approval Recommendation and Action |
|-----|--|
| 14a | Staff Recommendation and Approval Authorizing the Issuance of a Final Commitment |

The Multifamily Lending Division supports approval of the described financing in the amount(s) requested, subject to the above proposed terms and conditions.

The Final Commitment of the Agency is subject to all CalHFA underwriting standards, applicable Term Sheet and CalHFA regulatory requirements, and any other applicable requirements. Any material deviation from the original financing structure, project changes, underwriting assumptions, or the failure of a condition of the Final Commitment Letter, if issued, can result in the Agency's decision to not proceed with the financing of the project at any stage during underwriting and prior to the closing of the Agency's financing.

| 14b | Senior Loan Committee Action |
|------|---|
| Seni | ior Loan Committee recommends approval of the Final Commitment of the described financing in the amount(s) requested, subject to the above proposed terms and conditions. |
