| 1  | Project Summary     |
|----|---------------------|
| 1a | Project Description |

BUSD Workforce Housing (the "Project") is a new construction, large family, mixed-income project. The total development site area is 0.78 acres and is located in Berkeley, Alameda County. The Project will consist of 1, 6-story elevator serviced building. The Project will have a total of 110 residential units, of which 109 units will be restricted between 30% and 120% of the Alameda County Area Median Income (AMI). There will be 59 one-bedroom units (565 sq. ft.), 25 two-bedroom units (839 sq. ft.), and 25 three-bedroom units (1,111 sq. ft.). In addition, 1 of the two-bedroom units will serve as the manager's unit. The Project will have 55 residential parking spaces which will comply with the City of Berkeley density bonus agreement. The project site is currently occupied by an on-grade parking lot primarily used by the Berkeley Adult School. The parking lot will be removed during the course of construction. To mitigate any environmental concerns, a soils management plan will be in place at construction closing, as recommended by an Environmental Site Assessment (ESA) Phase I report dated 2/12/2024.

The Project's financing structure includes financing from: Tax-exempt (T/E) bonds, Taxable bonds, 4% Federal Low Income Housing Tax Credit (LIHTC) equity, State Housing Tax Credit Equity, CalHFA Tax-Exempt Permanent Loan, CalHFA Subordinate financing through Mixed-Income (MIP) Subsidy Loan, and a City of Berkeley subordinate loan.

The "workforce housing" aspect of the Project is a requirement from the Berkeley Unified School District who will hold fee ownership of the land and be the ground lessor to the borrowing entity as described in section 11b. In exchange for nominal ground lease payments, the ground lease will include a preference for school district employees while leasing units. This is a preference only and must comply with fair housing laws. Receipt of a property management plan and ground lease agreement acceptable to CalHFA are included in the conditions of approval and will be required before construction loan closing. Additionally, the school district is requiring the set-aside of 12 units restricted at 120% of AMI. There will be no agreement from the school district restricting these units. The school district is relying on CalHFA's MIP regulatory agreement to restrict those 12 units at 120% of AMI.

| Residential Areas                 |        | Commercial Areas (If Mixed-use)      |     |  |

#### 1b Project Location Geocoder Information

The Project is located in Berkeley, Alameda County. The project will be subject to a density bonus agreement ("DBA"), required by the city, at construction closing. The DBA will be recorded in senior priority to CalHFA's regulatory agreements at permanent loan closing and will be subject to a CalHFA standstill agreement. See section 6a for more details.

Notes (if any):

Satellite Affordable Housing Associates ("SAHA") and Abode Communities ("SAHA") are co-developers of the project. SAHA will retain 0.0051% ownership of the project and receive 51% of developer fees. Abode will retain ownership of 0.0049% ownership of the project and receive 49% of developer fees. Wells Fargo Bank, the tax credit investor, will retain ownership of the remaining 99.99% interest of the project through the tax credit compliance period (15 years).

| 3 | Summary of Material Changes from Initial Commitment Approval  |  |  |  |  |  |
|---|---|--|--|--|--|--|
|   | or any changes marked ⊠ please explain the changes and the impact of such changes either in CDLAC coring, financial risk to the Agency, or any other material impact to the underwriting of the loan  |  |  |  |  |  |
|   | Changes in Borrower/Sponsor entities including Co-developer(s), if any  |  |  |  |  |  |
|   | Changes in Other Development Team members: Construction Lender, Tax Credit Investor, General Contractor, Property Management Agent, Other lenders including subordinate lenders  • At initial commitment, the construction lender was Silicon Valley Bank and the investor was TBD. The construction lender and investor are now Wells Fargo Bank NA. |  |  |  |  |  |
|   | Changes in Project Scope (for example, addition of non-residential component)   |  |  |  |  |  |
|   | <ul> <li>Changes in CalHFA loan amount (&gt;10%) or changes in loan terms.</li> <li>Perm loan request increased by \$1.1MM (10.2%). New amount requested is \$12,195,000. No material impact.</li> </ul>  |  |  |  |  |  |

#### Notes:

The all-in rate of 6.60% (including 2.83% interest rate spread) is the final rate locked by CalHFA on 11/19/2024 for the perm loan and is valid until the earlier of the closing deadline indicated in the Early Rate Lock Agreement executed by the Agency and the Borrower on 11/14/2024 or the CDLAC bond issuance deadline, whichever is earlier.

Maximum LTV limited to 90% and maximum CLTV to be limited to 120% of restricted appraised value based on an acceptable Appraisal. However, if the exit analysis requirements are not met per the Agency's underwriting standards, the CLTV shall not exceed 100%.

Loan to Cost shall not exceed 100% of the total project development cost (see construction sources/uses for total development cost).

#### Notes:

- 1. Construction Loan T/E is a variable rate [SOFR+1.90 bps, Index 30-day Average SOFR]. Current SOFR index as of 1/22/2025 is 4.35% and the all-in rate is 6.25%.
- 2. Construction Loan (Taxable) is a variable rate [SOFR+1.90 bps, Index 30-day Average SOFR]. Current SOFR index as of 1/22/2025 is 4.35% and the all-in rate is 6.25%.
- 3. Construction interest reserve may be re-sized based on the final locked rate at construction closing. Any resulting funding gaps will be covered by the Developer until permanent loan closing.

| Total Construction Cost per CalHFA MIP Regulated Unit           | \$693,417    |            |

#### Notes (if any):

- 1. CalHFA will require review and approval of independent third-party prepared plan and cost review report for project plans and specifications (plan & specs) and cost review prior to construction loan closing.
- 2. The total hard cost contingency in the project is 9.47% of the Hard costs. The GC Schedule of Values (SOV) is pending review by the CalHFA inspector to ensure the USRM requirements and project scope for completion within the stipulated budget.
- The total soft cost contingency in the project is 3.20% of eligible costs and has been reviewed by Multifamily staff to meet the USRM requirements and project scope for completion within the stipulated budget.
- 4. The project budget includes \$209,462 in offsite improvements which includes replacement of curbs, gutters, sidewalks, and adding protection for existing trees. The offsite improvements immediately border the project site and will be associated with permitting approvals for the project. These costs are not being waived and are therefore not counted as public contributions per TCAC Regulation Section 10325(c)(9).

#### Notes:

• Wells Fargo Bank, N.A. has engaged, USA Construction consultants, to perform an independent third-party review of project plans and specifications (plan & specs) and cost review.

The draft/final Plan and Cost Review report has been received and is pending review by CalHFA
Inspector. The final Plan and Cost Review and sign off by CalHFA Inspector is a condition to construction
closing.

 The project budget includes \$209,462 in offsite improvements which includes replacement of curbs, gutters, sidewalks, and adding protection for existing trees. The offsite improvements are allowable by CalHFA Bond Regs.

| 5g   | Developer Fee      |                                 |  |  |  |  |  |  |  |
|--|--------------------|---------------------------------|--|--|--|--|--|--|--|
| Developer fee category:  | TCAC Maximum Limit | Actual Amount in Project Budget |  |  |  |  |  |  |  |
| Upfront Cash Developer Fee (a)   | \$4,192,463        | \$3,075,000                     |  |  |  |  |  |  |  |
| Deferred Developer Fee (DDF) paid from project cash-flow (b)                       | N/A                | \$925,000                       |  |  |  |  |  |  |  |
| Total Developer Fee (a) + (b)  | \$14,103,189       | \$4,000,000                     |  |  |  |  |  |  |  |
| Excess Developer Fee above TCAC Maximum Limit as General Partner (GP) contribution |                    | \$0                             |  |  |  |  |  |  |  |

#### Notes (if any):

- 1. For the Final Commitment underwriting, the Borrower must provide evidence that the DDF repayment structure is required pursuant to the Tax Credit Investor's requirements (LOI) and/or Limited Partnership Agreement (LPA).
- 2. Any outstanding Deferred Developer Fee remaining at Year 15, even if within TCAC Maximum Limit, will be paid from Borrower's 50% share surplus cash distribution.
- 3. Any outstanding Deferred Developer Fee remaining in Year 15 and above TCAC Maximum Limit will be treated as developer contribution. The Limited Partnership Agreement (LPA) and the Tax Credit Investor written approval evidencing that any outstanding deferred developer fee remaining in Year 15 will be treated as a GP contribution will be required prior to construction closing.

| 5h   | Evidence of Cost Containment for projects seeking subsidy |            |  |  |  |  |  |  |  |
| Cost | Containment Certification received from Developer?        | Yes        |  |  |  |  |  |  |  |
| Cost | Containment Certification acceptable to CalHFA?           | Yes        |  |  |  |  |  |  |  |

<u>Comments on Cost Containment Strategy:</u> The Developer certified that below cost containment measures have been implemented to minimize construction costs:

- 1. All major subcontractor and self-performing trades will be competitively bid out
- 2. Developer has engaged Value engineering firms during the design process to help determine potential cost savings.
- 3. Utilize Guaranteed Maximum Price (GMP) contract, with cost savings returned to owner.
- 4. GC will be required to provide a minimum of 3 bids (when available) for each trade, particularly for all major trades

| High-Cost explanation acceptable to CalHFA?  | Yes         |  |  |  |  |  |
|  |             |  |  |  |  |  |
| Summary of Project-specific factors contributing to high cost:   |             |  |  |  |  |  |
| i. Project located in HUD high-cost designated area?   |             |  |  |  |  |  |
| ii. State Prevailing Wage (PW) applicable to the project?  | $\boxtimes$ |  |  |  |  |  |
| iii. Increase in development cost due to demolition of existing building or structures?  |             |  |  |  |  |  |
| iv. Increase in development cost due to high environmental remediation costs?  |             |  |  |  |  |  |
| v. Increase in development cost due to significant off-site improvements due to site specific conditions?  |             |  |  |  |  |  |
| vi. Increase in development cost due to additional parking spaces or Type 1 podium garage or other commercial space requirements by City, community feedback or other? |             |  |  |  |  |  |
| vii. Other atypical costs included in the development cost budget?   |             |  |  |  |  |  |
| viii. Permit/Impact Fees   | $\boxtimes$ |  |  |  |  |  |

Comments (for any ⊠ response, please indicate the costs per the Development Budget line-items)

- Project located in HUD high-cost designated area. State Prevailing Wage (PW) applicable to the project?
   \$9,749,823
- Other atypical costs included in the development cost budget? California's current insurance market is currently very challenging, with insurance premiums rising in cost amongst the smaller pool of carriers. BUSD Workforce Housing is currently budgeting nearly \$1.3MM for construction insurance, an estimate informed by quotes from an insurance broker.
- Permit Fees for the city are about \$1.6MM and Utility Fees (EBMUD) are estimated at \$1.7MM. Fees also include City sewer fees. Total in budget = \$3,413,060 for these items.

| 6  | Affordability Requirements               |
|----|--|
| 6a | CalHFA Regulatory Agreement Requirements |

The CalHFA Permanent Financing Bond Regulatory Agreement will restrict a minimum of 40% of the total units at or below 60% AMI; with 30% of the total units (33 units) at or below 60% AMI and 10% of the total units (11 units) at 50% AMI for 55 years.

The CalHFA Subsidy Regulatory Agreement will restrict 109 units between 30% and 120% of AMI for a term of 55 years.

#### Notes:

- The CalHFA MIP Subsidy Regulatory Agreement requires 30% of total units at or below 50% of AMI. Of these, a minimum of 10% of total units must be at or below 30% of AMI (11 units at 30% AMI and 22 units at 50% AMI). An additional 10% of total units (11 units) must be restricted between 60% and 80% of AMI with a minimum average of 70% of AMI for a term of 55 years.
- The rents for the 60% to 80% tranche will be determined by the minimum income limit of 70% of AMI, not to exceed 80% of AMI. The remaining restricted units will be restricted at or below 120% of AMI.
- The City of Berkeley is requiring a Density Bonus Agreement ("DBA") which will be subject to CalHFA
  review and approval and further subjected to a CalHFA subordination or standstill agreement at
  permanent loan closing. The DBA will restrict 37 units at or below 80% of AMI (based off of the draft DBA)
  for the life of the project. In exchange for these restrictions the DBA will provide the following
  concessions:
  - a. Elimination of commercial space requirements.
  - b. Increased floor area ratio.
  - c. Increased building height.
  - d. Increased density.
  - e. Increased allowable lot coverage.
  - f. Reduced property setbacks.
  - g. Reduced parking requirements.
- The City of Berkeley is also requiring a regulatory agreement in connection with the city loan, which will be subject to CalHFA review and approval and further subjected to a CalHFA subordination agreement at permanent loan closing. The City of Berkeley regulatory agreement will restrict 66 units at or below 80% of AMI for a term of at least 55 years from the certificate of occupancy.

| 60%     | 0                        | 7      | 4      | 4      | 0      | 0      | 15     | 14%     |
| 80%     | 0                        | 14     | 9      | 9      | 0      | 0      | 32     | 29%     |
| 120%    | 0                        | 12     | 0      | 0      | 0      | 0      | 12     | 11%     |
| Manager | 0                        | 1      | 0      | 0      | 0      | 0      | 1      | 1%      |
| Total   | 0                        | 60     | 25     | 25     | 0      | 0      | 110    |         |
| AMI Avg |                          | 68.1%  | 57.6%  | 57.6%  |        |        | 63.30% |         |

#### Notes:

- The initial rents at permanent loan closing and in subsequent years must not be less than the underwritten rent levels outlined in the "Rent Summary Table" of the Financial Analysis enclosed as part of this Staff Report.
- The CalHFA regulatory agreement(s) will require minimum underwriting rent levels as outlined above.
- The units restricted at 120% of AMI are not considered restricted by TCAC and are not included in the TCAC average income requirement.

|----|----------------------|
| 7a | Market Study Summary |

|  | version, 2024-6  |
|--|--|
| Market Study firm: Raney Planning & Management, Inc.   | Market Study Date: 2/7/2024  |
| Market Study date within 180 days?   | No   |
| Proposed Market Rents for subject property   | 1 Br- \$2,838 2 Br- \$3,408 3 Br- \$6,508 (Underwritten rents are currently at least 10% below market rents) |
| Targeted population income range   | 30%-100% AMI   |
| Absorption Period  | 3 months   |
| Absorption rate  | 36 units per month   |
| Project Amenities appropriate and sufficient for market and intended tenants?  | Yes  |
| Special Needs Housing – demand/need for Special Needs population, availability of area service providers and sufficiency of on-site services at subject property | N/A  |
| Utility allowance schedule included in market study report?  | Yes  |

#### **Regional Market Overview**

- The Primary Market Area is the city of Berkeley (population of 124,154) and the Secondary Market Area ("SMA") is Alameda County (population of 1,689,571)
- The general population in the PMA is anticipated to increase by 0.1% per year and the population will increase by 0.1% per year.
- Unemployment in the PMA is 4.5%, which evidences a strong employment area. Per the appraisal, the unemployment rate in December 2024 was 5%. The PMA has generally experienced a higher unemployment rate compared to other areas of California due to its relation to the tech industry and recent layoffs. However, there are various improving business sectors that should return the unemployment rate to a more normal level in 2027 when the project is in lease-up.
- Median home value in the PMA is \$1,100,000.

## **Local Market Area Analysis**

#### Supply:

- There are currently 16 affordable projects in the PMA and they are 100% occupied with long wait lists.
- o There is 1 affordable project(s) under construction.
- There is 1 affordable project with a total of 52 estimated units that has been approved by the locality that has yet to start construction.

### Demand/Absorption:

The project will need to capture 6% of the total demand for family units in the PMA. The affordable units are anticipated to lease up at a rate of 32 units per month and reach full occupancy within 4 to 6 months of opening.

#### Summary:

 The market absorption and lease-up timelines are more conservative in the Developer's leaseup plan and operating proforma assumptions than the Market Study, accounting for 9 months for full lease-up, which is 3 months longer than the market study.

#### Comments:

- The Borrower's estimated NOI is \$1,006,524 which is approximately \$7,500 (~0.01%) higher than the estimated NOI in the appraisal report of \$999,024. The underwritten operating expenses have been adjusted based on the appraisal report NOI.
- The absorption rate is 30 units per month which slightly less optimistic than the market study which anticipates 36 units per month. Both reports indicate approximately 6 to 9 months for full lease up which is consistent with the developer's estimates. Cap Rate comments: The cap rate of 5.50% is based on the most recent information on comparable properties, which is 1 month old. Assuming an increase in cap rates due to current market conditions by 50 basis-points (6%), the LTV would be 97%. Stressing the cap further and adding 100 basis-points to the cap rate would result in an LTV of 105%, which is higher than the underwriting requirement of 90% or less.

| Balance (1 <sup>st</sup> Lien) |                               | Balance                |              |  |  |  |  |
|                                |                               | (MIP Subsidy Loan)     |              |  |  |  |  |

#### Notes:

• The primary source of repayment for both the CalHFA 1<sup>st</sup> lien loan and MIP subsidy loan is refinance of the Project's first mortgage. The Exit analysis test for refinancing indicates that the Project will have the ability to fully repay the balance of both the Agency's 1<sup>st</sup> lien loan and the MIP Subsidy loan.

|     | Required?                               |   |  |  |  |  |

This new construction Project will be built to State and City of Alameda Building Codes. However, the
building design required a seismic review which was completed on January 9, 2025, by Partner
Engineering and Science, Inc. This report determined SEL/SUL (475) at 13% and 20%, respectively.
Therefore, the project will not be subject to Earthquake Insurance. Receipt of a certification by the
engineer on record that Project has been built to current seismic code acceptable to the Agency prior to
permanent closing will be required.

| Curre | Current Ownership of Entity of Record: Berkeley Unified School District |                                |  |  |

The current owner of the site, Berkeley Unified School District, and the Project owner, 1701 San Pablo, L.P., entered into an Option Lease Agreement dated 12/15/2021 and then amended on 4/16/2024. The option agreement shall expire on the earlier of 4/16/2027, the date of construction closing or the occurrence of a default termination event. Upon execution of the agreement, the project owner will enter a ground lease. Please see section 11b for details.

| 11b Ground Lease (if applicable)               |          |  |                                  |  |
|--|----------|--|----------------------------------|--|
| Ground Lessor Berkeley Unified School District |          | Ground Lease Payment and<br>Source       | \$100 at execution,<br>developer |  |
| Ground Lease Term                              | 99 years | On-going Ground Lease Payment and Source | \$1 annually, Cashflow           |  |

The owner will enter into a ground lease agreement with Berkeley Unified School District for a term of 99 years; for an amount of \$1 per annual.

The CalHFA loan(s) will be secured against the leasehold interest in the land and fee interest in the improvements. All Agency subordinate loans are to be secured in the same manner. However, if any lender encumbers both fee and leasehold interests in the land, the CalHFA loan documents will also secure in the fee and leasehold interests in the land. The final ground lease document is subject to CalHFA approval. Lessor must provide approval of CalHFA ground lease rider.

Defaults under any loans used to capitalize payments or ongoing residual receipt payments required by the ground lease must not constitute a default under the ground lease.

The Ground Lease does not require any specific unit restrictions. However, it will include a preference that the units be available to lease to Berkeley Unified School District employees. This preference is not intended to conflict with fair housing laws.

# 11c Displacement and Relocation of existing tenants

• The Project is new construction, therefore, relocation is not applicable.

| 11d | Net Loss of Affordable Units |
|-----|------------------------------|
|     |                              |

The Project is a new construction project, with no related demolition of existing affordable housing, hence no existing affordable housing units will be lost nor will existing residential households be displaced as a result of this development.

#### Notes:

- 1. Hookston Senior The low DSCR was due to the resident relocation cost due to a fire in late 2022.
- 2. UNA The low DSCR in 2023 was due to many one-time expenses. Salaries increased by 40% from 2022, partly due to employee overtime which was caused by issues such as water leaks, mold, and tenant behavioral problems throughout the year. Contract expenses also doubled due to bedbug abatement, mold, and new security needs arising from tenant behavioral issues.

The Borrower has elected to provide supportive services to the residents through Satellite Affordable Housing Associates, an affiliate of the property management company and developer. The service provider will provide its services for all tenants. Services will include 12 hours/week of after-school programming and health and wellness skill-building classes as well as transportation services to medical appointments. CTCAC requires site services for 15 years, however, the supportive services MOU commits the provider to 20 years of services.

# 13 Conditions for Approval

#### Approval is conditioned upon:

- 1. Subject to all MIP program requirements pursuant to applicable term sheets.
- 2. The CalHFA MIP loan subsidy will be, in the Agency's sole discretion, the lesser of 1) the principal amount as stated on hereto or 2) an amount as determined by the Agency in the event the financial assumptions change prior to construction loan closing and/or permanent loan closing.
- 3. All MIP Loan principal and interest will be due and payable at maturity.
- 4. No site work or construction commenced prior to the issuance of a HUD Firm Approval Letter, per the HUD Risk Sharing program requirements.
- 5. The locality is requiring the Borrower to encumber the Property by recording a Density Bonus Agreement and regulatory agreement. CalHFA requires that MIP affordability covenants be recorded in senior position to all foreclosable debt. However, the DBA and regulatory agreement will be recorded in senior priority to CalHFA's regulatory agreements and deeds of trust at permanent loan closing and will be subject to a CalHFA subordination or standstill agreement.
- 6. Funds from the CalHFA permanent loan and/or the subsidy loan shall not be used to fund or offset any portion of the parking spaces, offsite improvements, construction costs, except to the extent such costs are attributable to improvements for the exclusive use by the tenants of the Project.
- 7. The CalHFA loan(s) will be secured against the leasehold interest in the land and fee interest in the improvements. All subordinate loans are to be secured in the same manner. However, if any lender encumbers both fee and leasehold interests in the land, the CalHFA loan documents will also secure in the fee and leasehold interests in the land. The final ground lease document is subject to CalHFA approval. Lessor must provide approval of CalHFA ground lease rider.
- 8. Receipt of property management plan and ground lease acceptable to CalHFA prior to construction loan closing. The school district employee preference must comply with fair housing laws.
- 9. Defaults under any loans used to capitalize payments or ongoing residual receipt payments required by the ground lease must not constitute a default under the ground lease.
- 10. Any default as to any loans by the Agency for the Development shall constitute a default under any other loans by the Agency for the Development.
- 11. Final soil management plan must be provided and approved by CalHFA prior to construction loan closing. In addition, evidence of environmental clearance must be provided and approved by CalHFA prior to permanent loan closing.
- 12. Receipt of a certification by the engineer on record that Project has been built to current seismic code acceptable to the Agency prior to permanent closing.

Multifamily Staff Report Version: 2024-8

| 14  | Approval Recommendation and Action   |
|-----|--|
| 14a | Staff Recommendation and Approval Authorizing the Issuance of a Final Commitment |

The Multifamily Lending Division supports approval of the described financing in the amount(s) requested, subject to the above proposed terms and conditions.

The Final Commitment of the Agency is subject to all CalHFA underwriting standards, applicable Term Sheet and CalHFA regulatory requirements, and any other applicable requirements. Any material deviation from the original financing structure, project changes, underwriting assumptions, or the failure of a condition of the Final Commitment Letter, if issued, can result in the Agency's decision to not proceed with the financing of the project at any stage during underwriting and prior to the closing of the Agency's financing.

| 14b  | Senior Loan Committee Action  |
|------|---|
| Seni | or Loan Committee recommends approval of the Final Commitment of the described financing in the amount(s) requested, subject to the above proposed terms and conditions.  |
